Hi Catherine,
Please meet Steve Gratwick cc'd here.
Steve is the Director of Special Programs at L.A Works and runs Gay for Good volunteer group.
They are a large group and are planning on a Runyon Cyn. restoration day scheduled in the upcoming month. He can give you any additional info on this great event .

Thanks so much Tracy, and Hi Catherine! The intro is much appreciated.

Gay For Good is having our annual Runyon Canyon Restoration Day on Saturday, Oct. 17th from 9am – 1pm, and this will be our sixth year at there. We'll be cleaning, mulching, clipping and sandbagging throughout the park, and working with some great people from Rec & Parks. We're expecting about 60-75 volunteers. There's a chance Friends of Runyon Canyon will join us, and we'd love to know if you and anyone from your staff might be able to join us as well? Please let me know what's possible, as I don't think most of us in Gay For Good are familiar with the new Councilmember Ryu or his staff. We had a great relationship with his predecessor, and it would be terrific to continue the connection.

Here's my cell, and I'm happy to talk or meet up to share more details: 323-371-5380. Our event listing will be up in a few days, but for now, you can find out all about us here: <http://www.gayforgood.org/>

Thanks again!
Steve

Hi Catharine and Tracy,

I hope all is well with you and wanted to send the Runyon Canyon restoration day info and RSVP link:
http://www.gayforgood.org/g4g_los_angeles_runyon_canyon_restoration_day

We're excited for our seventh year anniversary event in the park, and would love to have your support! Could you share and invite your CD 13 and Rec & Parks constituents? This could be a good opportunity to bring residents and park lovers together in support of this heavily used space.

Gay For Good would especially love to know if Councilman Ryu could join us for the morning kick-off? A great opportunity for our organization to officially connect with the new councilman, as we do monthly service projects and could perhaps include other future projects in the district? Please let me know, and I'm happy to jump on a short call if you'd like to go over any details or opportunities.

Thanks!
Steve
